*will be added to usage hours

Guidelines for CBN Imaging Facility Usage

1. Submission of a User Qualification form (below) with account number and PI approval (send to Lauryn Siu: lsiu@dls.rutgers.edu)

2. User Sign up recommendations:
   - Each LSM800 user is allowed to sign-up for no more than three-hour blocks at a time
   - Recommendations during peak hours: Monday-Friday 8am-6pm
   Per week, a maximum of 12 hours per lab
   - Recommendations for off-peak hours: Mon-Fri 6pm-8am and weekends
   Please stick to the 3 hour block rule to allow people to sign-up for off-peak hours, but no limit to total hours per lab per week. Of course, if no one is signed up after your three-hour block during off-peak hours, you are welcomed to stay on for as long as you like/can.

3. Users can book up to two weeks in advance via on-line calendar (https://cord.rutgers.edu/cfbs). However, no show will be charged for the reserved time

4. Users must provide contact information (phone number/email address) on the booking calendar

5. Users must notify a previous user for cancellation as soon as possible if you are the last user of the day

6. The last user is responsible for the shut-down procedure including locking door

7. Users must follow the instructions carefully to maintain the integrity of the shared instruments

8. Users must immediately report to Noriko Kane-Goldsmith or Kelvin Kwan for any irregularity in the use or function of the instruments

9. Users are solely responsible for attaining and returning the key to access microscopes.

   - For key access to LSM 800 contact Victoria Abaira (abaira@dls.rutgers.edu)
   - For key access to IN Cell 6000 contact Lauryn Siu (siu@dls.rutgers.edu)
   - For all other issues contact Kelvin Kwan (kwan@dls.rutgers.edu)
CBN Imaging Facility

User Qualification Form

Zeiss LSM800 (B322a)_____ GE INCell 6000 (B322b)_____

(Please check instruments you are planning to use and email completed form with a cc to the PI)

User’s Name:____________________________________________________

Tel: __________________________ Email:____________________________

P.I.’s Name:____________________________________________________

Tel: __________________________ Email:____________________________

Campus Address:________________________________________________

Account Number:____________ Date:_____________________________

Billing Address:________________________________________________

Project Name:________________________________________________

Specify fluorophores:____________________________________________

Experience with Fluorescence Microscope:________________________

_______________________________________________________________

Please contact for training: Noriko Kane-Goldsmith (ngoldsmith@dls.rutgers.edu)

Office Hours: M-F, 1-5PM
